## NOTABLE PROJECTS

### HA? LAMAN

iACADEMY Build For Unity Game Jam Entry (Champion),  
March 7 - 9, 2020

- Ha? Laman is a bomberman-style game for the PC played by two players using controllers. Players either play as a construction worker or a farmer, where the main goal of the game is to place the most trees or buildings after three rounds to win the game.
- Roles: **UI Developer**

### UNTITLED PROJECT

Ranida Games Project, July 2019 - October 2019

- Untitled Project is currently an ongoing tycoon game. This project was given to the interns to work on as a long-term project throughout their internship period at Ranida Games.
- Roles: **UI Developer**

### RE: VISION

Thesis 2 Project, March 2019 - June 2019

- Re: Vision is a political simulation game for the PC where you are the editor-in-chief who decides which articles are shown or scrapped. Days before the elections, parties want to reel in the public, and they're not afraid to do anything to

make it happen. How will you decide? Will you give in, or will you be taken out?

- Roles: **Game Developer, UI Developer**

### THE PAINTER

Thesis 1 Project, July 2018 - February 2019

- The Painter is an action-packed 2D angular top-down dungeon crawler for the PC that uses a color based battle system that is deeply rooted to the game's world and lore.
- Received the highest grade within the year level.
- Roles: **Project Manager, UI/UX Designer, Developer**

### PARE, PULIS AKO VR

GDELECT1 Term Project

- Experience the traditional Filipino game, "Bang-sak", in virtual reality. You play as a lone policeman, catching armed criminals. With a pistol, you have to capture all the criminals before they get to you.
- Role: **Game Developer**

### SYNC OR SINK AR

ESGS: Game On 2018 Entry, July 2018 - September 2018

- Sync or Sink is a mobile tabletop AR that puts you in the midst of a natural disaster. Unprepared, you must follow DCRMC's instructions to prepare a disaster kit. With the flood rising at an alarming rate, you must gather what you can to survive!
- Roles: **Project Manager, UI/UX Designer, UI Artist**
